I am very concerned, as I am pretty much home bound by Emphasema 24/7.
Not allowing Microsoft to carryon their innovations would seriously
affect me.

Can not afford to travel (since 2.3%) will not even keep up with Rent,
Eating In by myself & Medicare + Supplemental etc.

Am already in RED before anything else.

Please see your way to close this action soon so you can& concentrate
on more pressing things such as the welfare
of your Seniors.

Thank you in advance for your at HOME
problems.
